

WASHINGTON (July 12) – Congressman Spencer Bachus (AL-6) commended Jenna Pickering of Shelby County for serving as a House Page this summer.

Jenna, a rising senior at Spain Park High School in Hoover, is a page for the six-week Summer Session which runs from June 26 through August 6. She is the daughter of Byron and Melissa Pickering.

Congressman Bachus, who sponsored Jenna's appointment by the Speaker, said, "House Page program is a fascinating educational opportunity for our young people, and Jenna brings excellent credentials and great enthusiasm to the U.S. Capitol. In providing valuable contributions to the workings of the House, pages get a close-up view of the legislative process and deepen their understanding of our democratic form of government."

Pages provide a variety of tasks assisting the operations of the House, including carrying documents, messages, and letters between various offices, and attend classes during their program.
